Class Placements and Requests

Class placements are determined by the following criteria:

- First-come, first-served according to date of application and deposit
- Birth Date
- Recommendations of teacher
- Compatible combination of ability levels in the group
- Emotional and social needs of individual children
- Even gender mix in the group
- Three versus five-day attendance

Every possible request will be seriously considered and discussed amongst administration and faculty. Decisions are not arbitrary and extreme effort will be made to accommodate the wishes of all families. **In some cases, however, requests may not be granted.**

The appropriate request procedure will be as follows:

1. Requests for specific teachers, or for your child to be with a friend, must be made in writing at the time of enrollment.
2. Any requests must also be accompanied with the appropriate deposit.
3. **Deadline for requests is April 30.**

The following lists our class groupings and the required birthdate deadline for your child to be placed in that respective class *(because of ratios no exceptions can be made to be with a different age group)*:

- Ducklings* – children turning 1 year on or before September 1, 2023
- Cubs* – children turning 2 years on or before September 1, 2023
- Lions* - children turning 3 years on or before September 1, 2023
- Pre-K/VPK – children turning 4 years on or before September 1, 2023

*Children in the Ducklings 1-year-old group are expected to be completely walking without any support. No pacifiers or bottles allowed.

*Children in the Cubs 2-year-old group are not allowed to have pacifiers or bottles.

*Children in the Lions 3-year-old group are expected to be completely and fully toilet-trained. The child must be able to clearly verbalize needs and be able to independently handle all toileting chores unassisted. Diapers are not permissible in the Lions classrooms.
